What's been happening at the Dish??

If it were true that "Change is as good as a Holiday" then I have been on at least two "around the world" tours in the last 6 months.

2009 was the year that started many new beginnings. Firstly we enjoyed three beautiful weddings, Elisha, Kristen and Derani. These nuptials were to be, ever so quickly, followed by three, slightly surprising but naturally predictable, wonderful pregnancy announcements. This for me was a very emotional time as the girls are like my family. Derani and Kristen have been with me since they were "wearisome" teenagers and now they were all grown up and leaving the coup, and obviously I couldn't be happier for them all.

During all this frenzy we welcomed Samantha to our team, who had to hit the ground running (sorry Sam). Of course Tracey soldiered on and helped to hold things together and Katrina kept us all sane with her calming logical approach and ability to find humour in all situations. Meanwhile work on the new premises continued in the background, not causing any stress at all....

Name That Baby.....

I am sure the girls would appreciate any help you can give with suggestions for their baby's name. I have thought of a couple, like Loretta or Robin for Derani's baby as this could be for a boy or girl, Robin Robinson, easy to remember. Kristen's obvious choice would be Mr Miyagi

The New Year was always going to be huge, full of change, uncertainty, wonderful new beginnings and fantastic opportunities.

Our first taste of this change came with Elisha leaving. Although we knew she would be going it was a little sooner than expected. So as we wished her well and adjusted to the silence (you know we are just joking Leish), interviewing for new staff began. The strength of all the applicants was very comforting.

The successful applicants were notified and it was time for a little break, of Sam's collar bone that is. Poor Sam, she was miserable and in a world of pain and as much as I begged, she wouldn't share her drugs.

Luckily for us one of the successful applicants could start immediately. Introducing Taylor Moses, known affectionately as "Taylor Girl" so as not to be confused with my son, Taylor. Her start was quickly followed by Joanne O'Bernier and Ella Johnson who are both part time at the moment due to the lack of space. As you can imagine we are a little cramped. When will that new

place be ready?

All the staff have been amazing. Change can be very confronting when you feel you have no control over it but they are true professionals. They have pulled together as a team so that our characteristic excellent service standards have not been compromised. Of course there have been some teething problems and we are so grateful for our clients patience and understanding.

Kristen and Derani will be missed and they will miss all of you but they do intend to return. Meanwhile, rest assured that our new staff will continue to provide the same level of service that you are accustomed to. I however am not going anywhere, so some things never change.

Kristen will start her maternity leave in May and Derani in July, so the changes continue. Of course the biggest change will be for Kristen and Nicko and Derani and Brett and from those of us who have been there, it is a heart felt "Good Luck". Your reward will be knowing unconditional Love, and nothing is better than that.

accordingly. You only have until the end of April so get your suggestions in. The results will be posted at Fancy Dish. Get to it, **your name** could be up in lights.

So put your thinking caps on and lets see what we can come up with. The most interesting names will be **rewarded**

Do you want to Save MONEY, look and feel FANTASTIC and make a difference..... read on

Restore sight for \$25 and help Fred's dream live on.

"I believe that the basic attribute of mankind is to look after each other"
Fred Hollows

Fancy Dish has two unique memberships available that not only give you great \$\$\$ savings but also allows you the opportunity to give someone the "Gift of Sight".

We all know Fred Hollows and the amazing work his foundation continues to do around the world, but did you know that for just \$25.00 you can restore sight, dignity and independence. For \$25.00 you can give someone the gift that keeps on giving for a lifetime.... the gift of sight. Isn't that unbelievable?

So let's say over the next 6 months you spend \$700.00 with us, that could be 7 nail infills (3 weeks apart @ \$55.00 each) and 2 Deluxe Facials @\$100 each and some waxing to the value of \$115.00. Sounds like an ex-

cellent maintenance program.

With our "Gift of Sight Membership" you will pay just \$500.00 for a massive \$700.00 worth of treatments and we will send a donation for \$25.00 in your name to the Fred Hollows Foundation. So you can feel twice as good about having your treatments because you save \$200.00 and you get to make a difference by restoring someone's sight. How good will that feel..... PRICELESS!

Of course you can have whatever treatments you like for your "Gift of Sight Membership" and you have six months to use it, so why not try a treatment you've never had with us? The choice is yours.

Our next membership is our Fantastic Mini Membership. You buy this membership for just \$200.00 and receive \$350.00 worth of credit to use on any treatments at

Fancy Dish over six months. That's right, you save \$150.00 just by paying now.

Unfortunately we can only offer 20 each of these memberships and as the girls have started telling their clients about them today, I don't know how many are left. call us NOW on 63 611411 so you don't miss out as they will go to the first 40 people. (They could also be a great gift, Mother's day is just around the corner)

The girls told me their clientele where wonderful and I have to say I agree. But Just like Taylor I would like to meet you all, so call us now to book one of our great "Meet the Girls" offers.
